Callaway Road Thoroughfare Improvements (D4060)

General Project Fact Sheet

Purpose: The purpose of this project is to provide safety and operational improvements along portions of Callaway Road from Austell Road to Woodleigh Road, and from Al Bishop Road to Kolb Farm Way.

Description: This project will add sidewalk and a continuous turn lane on portions of Callaway Road; from Austell Road to Woodleigh Road, and from Al Bishop Road to Kolb Farm Way. In addition, the Callaway Road at Austell Road intersection will be improved by increasing the storage of the left turn lanes on Austell Road, and by adding a second left turn lane from southbound Callaway Road to eastbound Austell Road.

General Comments:

1. Design speed is 45 mph.
2. Callaway Road construction will occur at the same time the Windy Hill Road/Maclang Road Connector is being constructed.
3. Project related information can be found at www.cobbdot.org.
4. This project is funded through the 2005 SPLOST (Special Purpose Local Option Sales Tax).
5. Existing sight distance deficiencies will be improved by adjusting Callaway Road's horizontal and vertical alignments, and by clearing vegetation within the County's Right of Way.
